This beautiful custom home completed in 2002 contains 2,823 square feet of living area, and a spacious 665 square foot two car garage.

This beautiful Angel Fire home contains 4 bedrooms, as well as a nursery, 3 baths, and a large living area upstairs and downstairs.

This home is in a quite serene cul-de-sac on two lots containing 1.6 acres filled with beautiful trees, adjacent to a five acre green belt. Outstanding views of the Moreno Valley and surrounding mountain range, and just minutes from the ski slopes.

The floor plan has an open living-kitchen-dining area with high ceilings, tile floors, wood burning fireplace and a wall of glass with a breath taking view overlooking the valley. The upstairs contains the master bedroom and a guest bedroom, each with thier own baths. The lower level contains 2 bedrooms, living area, nursery and a bathroom.

This Angel Fire Resort home is completely furnished and nicely decorated and everything is included in the purchase price.

Angel Fire is a recreational development and offers snow skiing, 18 hole championship golf course, private fishing lake and camping. It is located near Eagles Nest Lake and the Carson National Forest. The wonderful summer climate allows for year round recreational enjoyment.
